

# DUNCHIDEOCK PARISH COUNCIL

## SANDBAGS POLICY

Sandbags are supplied by Teignbridge District Council, free of charge to the parish. They are stored in an unlocked shed at the village hall

The main contact on the Parish Council is Robin Bean  
(833514 [robindunch@aol.com](mailto:robindunch@aol.com))

The bags are freely available to the community. Members should either collect them themselves or contact a councillor for assistance.

Please advise the Council of how many bags are taken and return any that are in good condition. Bags that have deteriorated may be disposed of.
